### **MISSING PUNCHES**

If "Missing punch" appears after entering your hours, it usually means duplicate hours/entries are in the system, and one has to be deleted. To delete the duplicate entry, select Daily Procedures, Data Entry, Punches, please select the garbage can icon next to the duplicate entry Missing Punch in BLUE. When you attempt to delete one of the duplicates, a "You are about to Permanently Delete these hours" message will appear. Select **OK**.
